<u>57 1</u>	Approv	ved For Release 2904/02/01 GIA-RDP78B0503A000100020047-2
		IAS - 16/79 28 January 1970 Copy
	MEMORANDUM FOR:	Assistant Deputy Director for Intelligence
	SUBJECT:	Circumstances Surrounding Identification of Kovylkino SA-5 Checkout Facility
5X1	miles (nm) south a support and st parallel, widely is roughly a mile part of this face checkout aprons was observed the 2. The Komphotography, but reported by NPIC described it about the MCI noted the could be seen of Area Unidentific Report under the facility at some between 1960 and construction and "low-priority by NPIC in Septithat the install would be required. 3. Accord of the installation approved the sufficient of	wylkino installation has been covered repeatedly by satellite truntil this month by small-scale photography only. It was in a significant coverage index in June 1964. The MCI out as it appears today except that no security was mentioned. The vehicles or pieces of equipment, not otherwise identified, in the aprons. At that time NPIC called the facility Kovylkino ed installation. In November 1968, NPIC published a Basic e title Kovylkino Unidentified Installation, describing the elength on the basis of eleven referenced coverages.
